Letter No. 2171 of 4/6 June 1901
from the Insurance Secretary.
In Govt proceedings No 172/
Fl 15-7
dated the 22nd Aug: 1900, the option
of receiving a surrender Value of
50% of the premium paid without
interest was ~~added to~~ given to those
insured who ceased to be in Govt
Service and a modification to that
Effect was made in Rule 10 of the
Insurance Rules. The order not having
laid down as to whether it was to
have retrospective Effect, under
Rule 2 of the Insce Rules it cannot be
made retrospectively applicable.
Hence the Insurance Committee
propose that the Rule as it now
stands may be ordered to apply
"retrospectively to all cases in which
"payment of premium has been
"discontinued by reason of the
"insured having ceased to be in
"Govt Service".

Copy of Resolution No II (IV) passed in the Meeting held on the 14th May 1901

Memo No 216 dated 17th October 1900 suggesting an alteration of Rule 21, which, as it stands places a defaulter in a more advantageous situation as regards production of a medical certificate for reissue of a policy, than a proposer who seeks further insurance in the ordinary course

The Committee suggest that the following words may be added after the word "certificate" in line 7 of para 2, of Rule 21. "or five years from the date of last detailed Medical certificate" and the words "in either of which cases" substituted for the words "in which latter case" in line 8

The Committee also suggest that the words "detailed Medical" be introduced after the word "last" in line 4, of Rule 22, so as to make that Rule clear

Secretary, Insurance Committee

Resolution No II (vii) passed in the Meeting held on the 14th May 1901

Memo No 538 dated 12th March 1901 showing that considerable difficulty is experienced in the working of Rule 19 in as much as it precludes the examination of proposers by District Medical officers who are not always of the grade of assistant Surgeons, or by duly qualified Asst Surgeons acting for and under the orders of the Civil Surgeons or District Medical Officers. It also precludes Lady Asst Surgeons from examining and passing female proposers. In the case of the Bangalore District where the appointment of Civil Surgeon has been abolished, it is difficult to define who the "District Medical Officer" is

After a careful consideration of the difficulties represented the Committee recommend that Rule 19 may for the present be altered as follows

"Such Medical officer shall be the District Medical officer of the Government not below the rank of an assistant Surgeon, provided that when the pay drawn by the proposer is not less than Rs 250/- the Medical Officer shall not be below the rank of a Civil Surgeon As regards the Bangalore District such Medical officer shall be the Resident Surgeon Victoria Hospital. In the case of any female proposer Medical certificates furnished by the Lady assistant Surgeons in charge of the Maternity at Bangalore and the Maharanee's Hospital at Mysore may also be accepted"

Sir,

In forwarding herewith Committee's resolution No II (ix) passed in the Meeting held on 14th May 1901, I have the honor to state that under Government Notification No. 1722/2152 dated 22nd August 1900, the option of receiving a surrender value of 50% of the premium paid, without interest, was added to Rule 10, and was made to apply to those insured who cease to be in Government Service and are in Consequence unable to Continue to pay their premiums till their policies Mature. In the absence of Special exception this modified rule cannot, under rule 2, be made

Made retrospectively applicable to those insured who ceased to be in Government service and dis- -continued payment of premium before the date of above order

2. The Committee consider that it is only just and equitable to extend the concession to those now also and recommend that Rule 10 may be given retrospective effect.
